

COMPANY PROFILE

Select Concrete Products c.c. was established in October 1990 by Lindsay Wegner as a result of a retrenchment.

The Company was initially situated On the West Bank in premises rented from Hodgett's Timbers. In August 1993 the Company moved to its current location, firstly renting and finally purchasing the premises in the name of Kalin Properties c.c. in October 1995.

The Company was started with a small range of products of which opposition companies could not meet the market demands. Over the years the product range has been expanded to the range of products currently manufactured.

MISSION STATEMENT

The idea was to establish a business in the Border/Transkei region to cater for the needs of the Construction Industry and Builder's Merchants. The main focus was to supply quality products at competitive prices while giving superior service.

PRODUCT RANGE

The Company manufactures a vast range of products to cater for the needs of the following market sectors.

- Builders Merchants and Retailers
- Fencing Contractors
- Electrical Contractors
- Building Contractors
- Civil Engineering Contractors
- Municipalities
- Landscaping and Paving Contractors

In March 2006 the Company acquired the license to manufacture the **Loffelstein** retaining system. In May 2009 the **Waterloffel** retaining system was added to the product range. The area of supply for these products extends from Port Shepstone in the North to Kenton-On-Sea in the South.

PROJECTS

Over the years the Company is proud to have been associated with and supplied to many of the Major Developments in and around East London, namely

- Beacon Bay Retail Park - carparks
